

Dolores is a place that offers distinct advantages to investors and tourist.

Our municipality abounds with opportunities. For investors, we offer fiscal and non-fiscal incentives and an environment conducive for business to flourish. For tourist, the place is a tropical haven with countless options.

Through the years, we have maintained our environment sustainability, and peace and order. And through every hard work and service we deliver in keeping the Municipality ideal for tourism, trade, and investments... we have you in mind to partake of the opportunities and blessing now present.

In Municipality of Dolores... you have a partner in progress. Come and invest in Dolores, Quezon now.
